

Cypress Soaring

One of the beautiful things about a single piloted aircraft is the quality of the social experience.

Dues are payable the first of the month to:
Jotham Schwartz
His address is listed on the club website.

Write "Cypress Soaring" on the lower left corner of the envelope

Next General Meeting:
Saturday 4/11/15 10:00 am
Location TBA - Check the Club's website for updates.
(Board meeting begins at 9:00 am)

Minutes of the March 14 Cypress Soaring Club Meeting

* After being evaluated by several Cypress CFIs, the PW-5 has been designated as an A3 level aircraft - Private Pilot rating plus appropriate instructor evaluation required.

* Vote passed to keep the 2-33 online, based on financial trends.

* Vote to post the minutes of Cypress meetings passed.

* A new website was discussed and is being looked into.

* Continuing the close out of OCSA & maintaining its web presence discussed.

* Quarterly Dues structure will begin with April, the beginning of the second quarter.

Maintenance Report

* Discus has been annualized; needs cockpit fabric glued into place.

* PW-5 trailer was correctly identified and reported in good shape with some safety mods suggested.

* Krosno annual is due in April

* Randy Shumaker offered to store the Grob trailer and the remaining Ensign hangar on his property.

* Canopy covers were ordered for the Krosno and the PW-6

* Krosno rudder cable noise was discussed

Treasurer

* \$8187.00 in checking account, \$36,220.00 in savings.

* Three new members joined the club in the previous month.

* Insurance was renewed on the fleet. \$11,000; includes insurance on Cypress instructors.

* Quarterly dues will be incorporated beginning in April, one-time statements will go to each member beforehand. Cypress dues will now include each member's SSA dues.

* Increase of Sustaining Members dues to be discussed at the next meeting.
